

TOP FIVE RECRUITMENT TIPS

ONE

START EARLY

The sooner your team members register, the sooner the excitement begins – there will be lots of fun activities. Tip: offer a chance to win a prize for everyone who registers by a chosen date.

TWO

USE OUR TEMPLATE

Customize our easy-to-use email invitation with your team's information, and forward to your colleagues.

THREE

PROMOTE

Let co-workers know about GetLoud at a company or team meeting. If you have a personal connection to SickKids, tell your story to inspire others to join the team.

FOUR

NETWORK

Ask others to help spread the word. They may know colleagues in other departments or locations who would love to join the team.

FIVE

SENIOR LEADERS

Recruit department leaders to join. They can encourage their work teams to join.

BONUS

We can help you host a virtual team kickoff to build excitement about supporting SickKids through GetLoud.
